Evitalife Pharma

COMPANY PROFILE

Evitalife Pharma is a fully integrated pharmaceutical company, marketing wide range of formulations in practically all dosage forms and therapeutic segments, including; Hormonal (Female), Ayurvedic, Dietary Supplements, Nutraceuticals as well as cosmetics.

The company was founded by group of professionals with decades of extensive experience in manufacturing and marketing pharmaceutical products. Company's highly focused & vigilant product management team constantly monitors innovations in the field of pharmaceuticals around the globe to keep pace with the ever increasing demands of medicines for different ailments. The highly dedicated R&D and F&D Departments jointly work to improvise the efficacy of existing molecules and further develop them in convenient dosage forms for better patients' compliance. Each day, we work towards providing quality & innovative medicines for the humanity across the globe. We strive to create excellence in every arena by working as a team in quality assurance, quality control and production departments to offer world class formulations.

Evitalife Pharma products are being produced at the most modern & sophisticated state-of-the-art world class manufacturing facilities in India. These manufacturing facilities undertake contract manufacturing of pharmaceutical formulations for almost all the TOP pharmaceutical marketing companies of India for their domestic marketing as well as exporting formulations to various countries across the globe.

Evitalife Pharma motto is to provide solutions to humanity's quest for LONGER, HEALTHIER & HAPPIER LIVES.
